Greetings!!

It gives me immense pleasure to know that HR Department of Ahmedabad Asset is releasing handbook for the retired employees on welfare schemes, various medical facilities and other useful information. This effort will definitely enable the retired employees to have handfull information which is required by them in their daily lives. ONGC always supports its retired employees in line with various guidelines issued by the Government as well as National Policy for senior citizens, to enable them to live their lives respectfully.

I appreciate the effort of HR Department in preparing such an informative handbook and am sure they will continue to take care of the welfare of the senior citizens.

Greetings!!

*"The Pain of Parting is Nothing to the Joy of Meeting Again".*

HR always plays a key role in ensuring a smooth transition from employment to retirement, as retirement can be an emotional and harrowing process for all the employees in every organization. It is heartening to know that Separated Employees Establishment of Ahmedabad Asset is releasing a handbook for the retired employees to equip themselves with all the requisite information necessary for them. This will definitely enable the retired employees to have handfull information relates to welfare facilities, empanelled hospitals, doctors, and other services etc. It is evident from this effort that ONGC always takes care of its retired employees and extends welfare facilities to them.

I take this opportunity to express my sincere thanks and wishes to all the retired employees who were part of the great endeavour to make ONGC as India's most valuable Corporate.
